

INTERNATIONAL SYMPOSIUM ON ECLS/ECMO

@ University Hospital Leuven
Herestraat 49 – 3000 Leuven - Belgium

GOALS OF THIS MEETING

To bring an update about ECMO/ECLS therapy to both ECMO referral & ECLS specialized centers

There will be a 'cardiac ECMO' & 'respiratory ECMO' session and there will be talks about new indications, new ECLS techniques, patient referrals, patient management, patient outcomes & organization of a nationwide ECLS program.

Talks will be provided by in-house and international experts in the field

Program to be distributed at a later date
