

Always dreamed to be a Sensory Research Consultant? You have a passion for senses?

Don't wait any longer and apply now! Haystack is looking for YOU!

SAY YES IF YOU WANT TO BE THE DRIVING FORCE BEHIND SENSORY RESEARCH

As Sensory Research Consultant:

- You translate a sensory related business question of a client into an adequate methodology and write a proposal.
- You train sensory expert panelists.
- You will handle projects through all stages from initial briefing to report writing and/or debrief presentation, ensuring that the research design and analysis and interpretation of results fulfils clients' needs.
- You analyze results/data and present clear recommendations for the sensory marketing strategy of our clients.
- You are a key partner for your client(s) and you support the strategic growth of Haystack by maintaining good client relations

SAY YES IF YOU FEEL YOU ARE THE ONE

- You are very interested in food, flavours and senses.
- You have a broad knowledge in the latest sensory methodologies and their interpretation (e.g. profiling, DOD, difference testing, temporal methods, napping, ...) and a talent for statistics.
- Some working experience in food industry, sensory research or other sensory related activities are a big asset.
- You are data driven and your mindset is both "analytical" and "creative".
- You have a master's degree in food science, Bio-engineering or similar.
- You connect easily with people (clients and expert panelists).
- You are pro-active and enthusiastic, and you have a positive open mind.
- You are proficient in Excel and PowerPoint. Knowledge of specific statistical software (XL Stat, R, ...) is a plus.
- You speak and write fluently Dutch, English and have a basic knowledge of French

SAY YES IF OUR OFFER CAN DELIGHT YOU

We are investing as much in people as in innovations. We create an environment that offers opportunities to develop and where you feel part of a great, dynamic and passionate team of colleagues and experts. Join a fresh eyed company where ownership and autonomy are encouraged.

- Challenging projects for an international client base seeking added value

- Customized training plans and exciting career opportunities
- A very nice and inspiring office; and top-notch sensory lab in the green suburbs near Leuven
- A competitive salary on top of a set of extra-legal advantages

SAY YES IF YOU WANT TO JOIN AN 'AMAZING PLACE TO WORK'
