

PRINTABLE

Biretta

INSTRUCTIONS

Cut out all pices and fold/ score along lines

Attach pieces by gluing or taping the grey tabs
in the order shown

Attach the tab on the last piece to the side of the first piece to form a square

Fold upper part inwards, attach the bumps by gluing back to back and the side without a bump by gluing or tapeing the tab to the inside of the piece next to it.

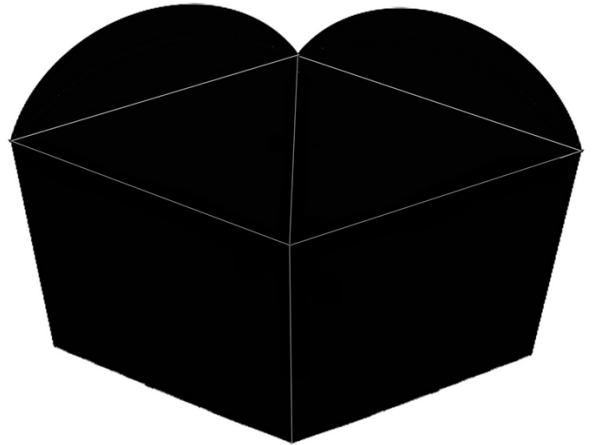

Attach pom-pom of your
choice.

P O M P O M O P T I O N S

1. Premade pompom from craft store

Glue to top of hat

2. Crumpled tissue paper ball

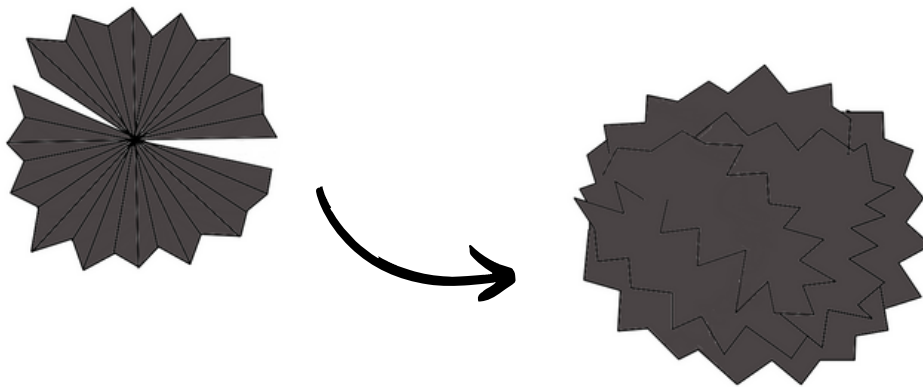

Crumple a sheet of black tissue paper into a tight ball, glue to top of biretta

3. Tissue paper pompom

Accordion fold several strips of tissue paper around 4 inches wide together, tie black string or yarn around the center

Fan out each side of the folded tissue paper then separate the sheets to form a ball.

4. homemade yarn pom pom

Cut out two donut shaped pieces of cardboard about 4 inches in diameter

Lay the two pieces of card on top of each other and begin wrapping with black wool

Continue wrapping until all the card is covered except for a small wedge, the more wraps the denser the pompom. once you are finished wrapping insert a pair of scissors inbetewwn the card at the uncovered spot and cut through the yarn around the outside of the donut.

Insert a piece of string between the pieces of cardboard and tie tightly around the center of the pompom.

Remove the cardboard and fluff pom-pom into a ball shape.
trim if nessessary.
