

DRAFT PROGRAMME DAY 1 (20 NOVEMBER 2019)

Whole day 9:00 onwards		REGISTRATION						
TECHNOLOGY EXHIBITION WITH COUNTRY PAVILIONS	9:00 - 12:00	WELCOME COFFEE	DEEP DIVE Integrating sustainable energy strategies in Nationally Determined Contributions (NDCs)	CIRCULAR HOTSPOT BELGIUM	PARTNER EVENTS			
	11:00 - 12:00							
	12:00 - 13:00	LUNCH & NETWORKING						
	13:00 - 13:40	HIGH-LEVEL INAUGURAL SESSION						
	13:40 - 13:50	BREAK						
	13:50 - 15:00	PLENARY SESSION – KEY ELEMENTS OF TRANSFORMATIVE CHANGE High-level governmental session						
	15:00 - 15:30	COFFEE BREAK						
	15:30 - 16:50	MULTI-STAKEHOLDER SESSION – LIVING THE CHANGE Exploring integrated cross-sectoral technological solutions for the SDGs through inspiring stories of people pioneering change		SPECIAL SESSION High-level dialogue on Circular Economy	CTCN Matchmaking Event “Accelerating the clean energy transformation”	COPERNICUS HACKATHON Developing innovative solutions for the SDGs using Earth Observation data	ENTERPRISE EUROPE NETWORK Matchmaking & pitching event	OECD WORKSHOP Digital technologies and the ocean economy: exploring the longer-term future
	16:50 - 17:00	BREAK						
	17:00 - 18:00	PLENARY SESSION Panel discussion with G-STIC co-hosts and members of the 10-Member Group		Integrated solutions for waste management and circular economy				
18:00 - 21:00	WELCOME RECEPTION & NETWORKING				EDUCATION Exploring integrated technological solutions implementing SDG4, especially for refugees, migrants and displaced persons			

DRAFT PROGRAMME DAY 2 (21 NOVEMBER 2019)							
Whole day 8:30 onwards	TECHNOLOGY EXHIBITION WITH COUNTRY PAVILIONS	REGISTRATION			PARTNER EVENTS		
9:00 - 10:50		Identifying integrated technological solutions for the SDGs			COPERNICUS HACKATHON Developing innovative solutions for the SDGs using Earth Observation data	CTCN Matchmaking Event	
11:10 - 13:00		HEALTH FOR ALL	WATER FOR ALL	SUSTAINABLE OCEAN RESOURCES FOR ALL			CIRCULAR FLANDERS Meet the buyer Event
13:00 - 14:00		ENERGY FOR ALL				LUNCH & NETWORKING	
14:00 - 18:30		DEEP DIVES					
18:30 - 22:00		INDUSTRY NIGHT					

DRAFT PROGRAMME DEEP DIVES DAY 2 (21 NOVEMBER 2019)

14:00 – 15:20	ENERGY Modern District Energy Solutions	OCEANS Available technologies & pilots within alternative fuels for cleaner shipping	EDUCATION - HEALTH Education & Health Care	ICT Exploring the impact of digital technology on the SDGs	EDUCATION Teacher Training: transforming teaching and learning towards sustainable development	WATER – OCEANS - ENERGY Water-Energy nexus
		OCEANS Necessary infrastructure in ports to move towards cleaner shipping				
15:30 – 16:50	ENERGY-OCEANS Marine Energy	OCEANS EU-finance mechanisms & policy for sustainable projects within a maritime context	CIRCULAR ECONOMY - OCEANS Technological solutions for marine plastics	HEALTH - ICT Big Data for Health	EDUCATION Vocational training: the entrepreneurial approach of education in schools and businesses	WATER - CLIMATE Grey green infrastructure
		OCEANS Inspiring Ocean Technologies	CIRCULAR ECONOMY Integrated technological solutions for circular innovation			
17:00 – 18:20				HEALTH - ICT Telehealth	EDUCATION STE(A)M: Art as the driving force for STEAM	WATER – ICT Digital water

DRAFT PROGRAMME DAY 3 (22 NOVEMBER 2019)

Whole day 8:00 onwards	REGISTRATION	DEEP DIVES		PARTNER EVENTS
9:00 - 10:30	YOUTH FORUM How to ensure integrated technological solutions take the needs of the next generations into consideration before entering today's market?	CLIMATE CO ₂ as a resource	HEALTH Building resilience to improve disaster response	High-level Forum with UNESCO Chairs "How is sustainable development embedded in and affected by education planning, policies and the law?"
10:30 - 12:00	PANEL DISCUSSION Sifting through the choices: Technology selection criteria for the SDGs	ENERGY Geothermal Energy	GEOSPATIAL DATA Natural Capital Accounting	
12:00 - 13:00	PLENARY SESSION Integrated technological solutions: Gaps and further research needs			
13:00 - 14:00	LUNCH			
14:00 - 15:15	SAFE CLIMATE FOR ALL Integrated technological solutions for a safe climate	EDUCATION Integrated technological solutions for SDG4		
15:15 - 16:00	CLOSING SESSION – MAKING THE CHANGE Key findings G-STIC 2019 Closing remarks G-STIC co-hosts			
15:30 - 17:00	FAREWELL DRINK			

TECHNOLOGY EXHIBITION WITH COUNTRY PAVILIONS
