

## Second year of WiseGRID: Where do we stand and what have we learned so far?

*Webinar for the User Group and International Advisory Board*

September 27<sup>th</sup>, 10:30 am - 12:00 am

### Agenda

<b>10:30 Welcome and introduction</b> <i>Vaiva Indilaite &amp; Sara Tachelet - REScoop.eu</i>	
<b>10:40 Smart tools to empower citizens</b> <i>Alvaro Nofuentes Prieto - ETRA I+D</i>	<i>General introduction of the WiseGRID project and the tools that will be deployed in the pilot sites. The main functionalities and the benefits of each tool will be discussed. An example of the tools will be demonstrated via a web platform, using real time data. The demonstrations will make it possible to give you a notice of how the tools will look like.</i>
<b>11:20 Feedback citizen engagement workshops in the WiseGRID pilot sites</b> <i>Vaiva Indilaite &amp; Sara Tachelet - REScoop.eu</i>	<i>The WiseGRID project is all about providing technology solutions and business models which increase the smartness, stability and security of an open, consumer-centric European energy grid. However, citizens are the key players in this project and the workshops were created to include pilot site citizens in the decision making processes of the project. During this part we will look into the feedback and lessons learned from this 1<sup>st</sup> round of citizen engagement workshops.</i>
<b>11:45 Q &amp; A</b>	
<b>12:00 Closing remarks</b>
