CHANGING PROJECTS

PLAN

GAINING CONFIDENCE & COMMITMENT

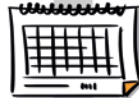

Choose your planning strategy

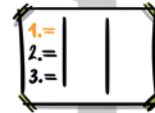

Develop the
milestone plan

Define the required
budget & resources

Create a schedule

Create a prioritized
product backlog

Confirm the team

Define the size &
number of iterations

Determine how to foster &
maintain commitment

Is this plan
realistic?

DO

CREATING RESULTS THAT MATTER

CLOSE

MAKING SPACE FOR NEW BEGINNINGS

KEEPING AN OVERVIEW

Escalate & Communicate

Maintain the high-level plan

Engage stakeholders

DRIVING THE PROJECT

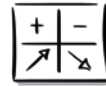

Plan more details as you go along

Manage the team

Review & Learn

Learn from the journey

Value people

Announce the end of the project

ROLLING UP YOUR SLEEVES

Do the work to deliver results

Solve problems

Seek feedback
